MEMORANDUM FOR MR. WARNER

S	I A	4	l	

I talked with		today.	He indica	ted the			
''slippage'' in tome w	as caused by	the Cu	ban crisis	but thev			
are making progress	. I also talk	ed with	Dorothy 1	Fosdick			
indicating the reason for the setback in time. She said this							
was no problem as far as they were concerned. They are							
more interested in a	good probler	n. Per		suggestion,			
I told Dorothy Fosdic	ck that we wo	uld like	to get tog	gether with			
them some time next	week to revi	iew prog	gress to d	ate and			
discuss the project i	n further deta	ail. Do	rothy Fos	dick though			
this would be fine.			-	-
